

CAPABILITY STATEMENT

International Logic Systems, Inc. (ILS) provides technology services, consulting, and business solutions to government and private organizations. Our strategy of delivering expert solutions and utilizing a highly-skilled team can improve processes and performance for organizations.

What separates ILS from the competition?

- ILS has attained the Capability Maturity Model Integration, (CMMI®) Maturity Level 3 for our consulting services.
- ILS retains a successful track record and high retention rate with multiple clients for more than 15 years.
- ILS has maintained a low staff turnover since our establishment in 1993.
- ILS is a certified SBA 8(a) program graduate with sustained growth.
- Our diverse and dedicated management team is well experienced and adept.

KEY CAPABILITIES

Technology Services & Integration

Our comprehensive technology services incorporate advanced and dependable solutions for businesses. By using our solid experience and expertise, we can help your organization become streamlined, move forward, and be on the cutting edge. We specialize in:
