Excellence. Integrity. Value

WHO WE ARE

INTERNATIONAL LOGIC SYSTEMS, INC. (ILS) is a Small Business Administration (SBA) certified Small Business (SB) and Woman Owned Small Business (WOSB) headquartered in northern Virginia. For over 25 years, we have provided **information technology (IT) professional services, staff augmentation, consulting, and business solutions** to the Federal government and private organizations.

Our mission is to help customers improve their business processes and performance by delivering innovative, state-of-art IT services and solutions. We bring experts in the areas of software engineering, digital transformation and delivery, IT systems infrastructure, data analytics, Program Management Operations (PMO), and much more. With our solid experience and expertise, we deliver comprehensive technology services and staffing solutions catered to the organization's business needs.
